

## What is Secondhand Stationary?

In efforts to reduce waste and help out others, the RPHF Solid Waste District has decided to designate a section of our office to collect gently used/unwanted school, office or craft supplies. This allows others to have access to free supplies and it keeps usable items out of the landfill.

## How can I donate?

Anyone can donate items still in good condition. Leftover sheets of paper, writing utensils, books, etc. Schedule a time to drop-off items by contacting the District.

## Where do the supplies go?

To our District Office located at 141 W Main St., Suite 400 in Circleville. Any student, educator or non-profit organization may take supplies they need, free of charge. Email Igrooms@pickawaycountyohio.gov or call 740-420-5452 to make an appointment.

Take what you need, leave what you don't!
